REGULAR AGENDA

1. Chief Appraiser Items

A. CAVEAT Update – The breakout sessions contained a lot of great and useful information. There were many new legislations discussed. The ones that mostly affect the office are SB215 which allows police officers and peace officers to request their information to be unlisted, HB311 which covers federally declared national disaster site options for a county to adopt tax credits for any structures that were impacted. Also, discussed was the Homeowner’s Tax Relief and some misconceptions were cleared regarding the parameters. HB121 covers the requirement of off-road vehicles (i.e., four wheelers, golf carts, side by sides, etc.) to have a motor vehicle tag. Although they will have a motor vehicle tag they will be considered as personal property and will remain on the personal property rolls. The event was well attended.

B. Digest Comparisons - The TY2022 Digest had an error for Pooler. The error was corrected. However, the Department of Revenue has informed us that year to year comparisons must use the previously advertised values regardless of digest corrections. With the overall County increase was 10.37%, School was increased 13.73% – 11.13%, others in the county essentially remained the same except for Pooler where the error occurred increasing 31.18% - 13.74%.
