REGULAR AGENDA

1. Chief Appraiser Items

- A. **FY2026 Budget Meeting** – It was a continuation of the conversation with the City Manager. Corey Gillenwater was asked to be a part of the Artificial Intelligence team that the county will be putting together with other departments. We received positive feedback from HR regarding our requests.
- B. **Board of Education Presentation** – Based on some questions asked we will soon be hosting an Appraisal Workshop as we did for the City of Savannah. It was a successful annual presentation for TY2024 and was well received.
- C. **HB92 Implementation** – We will be adding three Notice of Assessment templates to our CAMA system. Those three consist of one for all taxing authorities providing a rollback rate, one for no taxing authorities providing a rollback rate and one for some of the taxing authorities providing a rollback rate. As of yet we have not seen or tested any of the templates. However, we are still on track for the approval of values. Until we have integrated the templates into the CAMA system and have tested them thoroughly, we will not be sending out Notices of Assessment. We expect the testing to take a least a month. HB92 also allows the reopening of the Homestead filing period for the current year (TY2025) during the 45-Day appeal window. Homesteads can be filed during that window with or without an appeal.
- D. **TY2025 Revaluation Summary – Tally Peek for GIS/Support Services** – The GIS division completed 3,077 map edits. There were 2,633 new parcels and 444 split/combo parcels. There was a total of 12,663 transfers slightly up from 12,598 the previous year. Half of those transfers were in the City of Savannah. Two of those property transfers were made to SEDA. No SEDA lease expirations are scheduled for TY2025. A total of 10,917 Permits were issued for TY2025. The City of Savannah accounted for more than half of all the permits. 5,475 Homestead Exemption applications were processed with 1,126 of those filed online. The public had very positive feedback to the efficiency, patience and commitment to guiding applicants through every step of the application process. **Vickie Tumlin for Residential** – The Residential division continues to observe significant market growth across Chatham County. The activity in sales and the far reach of Permit applications resulted in a near 10% digest growth across all Residential properties. Residential saw an increase of over 2,000 newly created parcels and are quickly being developed into neighborhoods and new phases. There are 11 new neighborhoods with an additional 34 new phases developed for existing areas. These new parcels were the product of 144 split/combo requests that were platted and processed in our office. Residential received 9,240 permits. 1,736 of those were for new home construction with the majority of those in the City of Savannah. 52% of the permit activity is in the City of Savannah followed by Pooler with 28% and Port Wentworth at 14%. New construction combined has contributed \$529,000,000 to the digest for TY2025. The buying and selling of properties provided strong evidence of an attractive market within the County. With 6,271 property transfers, 5,755 of those were deemed “qualified” and were used in the market reassessment process. After extensive review, it was determined that 296 of 837 neighborhoods across the County have sufficient market activity to warrant increases in value. Only 14 neighborhoods required decreases in value to match market activity. The implementation of Mobile Appraiser has enabled staff to complete 54,930 Field Reviews. This constitutes nearly half of all Residential properties in the county.

Regular Meeting – April 24, 2025 – 8:30 AM

Page 4

Tobe Northcutt for Commercial/Industrial/Personal Property – Commercial and Industrial showed strong activity with a total of 136 property split/combo's processed. Of those 76 were "qualified" sales (71 Commercial and 5 Industrial). 1,972 Permits were reviewed. New construction Permits added over \$624,000,000 to the digest, with warehouses alone contributing more than \$415,000,000. The apartment sector added over \$21,000,000 to the digest, with a growing trend toward single family rental communities. SEDA backed projects such as the Logistics 16 warehouse and Central Port projects added over \$228,000,000 in exempt value to the digest. Cost tables indicate a slight increase in commercial and industrial property values and Income generating properties remain stable. Personal Property had over 8,600 returns filed. There were 371 Freeport applications filed with 30 of those being new applications. Online filing was about 30%. New composite conversion factors led to significant valuation shifts; for instance, Elba Liquefaction saw an increase of nearly \$50,000,000 prior to this year's filing. In fact, the sister companies (Southern LNG & Elba Liquefaction) together have over \$1.1 billion in fair market value reported for this year's digest. With the addition of reported liquid natural gas reported by Shell NA LNG the valuations for Elba Island parcels and accounts exceed the \$1.2 billion in fair market value. The newly implemented \$20,000 exemption threshold nearly doubled personal property exemptions year over year. The marine account clean-up added over \$13,000,000 in value with 4,500 boats now on record. Gulfstream adds \$41,000,000 in value to the digest. The county now lists 69 aircraft accounts totaling \$260,000,000 in FMV. Six businesses submitted Capital Improvement exemption requests for expansions or relocations.

Rule 560-11-11-.02 Withdrawing a QFLP Application

- (1) Withdrawals for QFLP are not tied to a specific deadline date. Rather, an Application may be withdrawn at any time prior to the respective county's issuance of the final tax bills for the digest year in which the Application is either first made subject to a covenant, or is subject to a renewal of a previous covenant.
- (2) The notification for withdrawing the Application shall be considered received by the Local Board of Tax Assessors when hand delivered or when date stamped by the United States Postal Service.

Rule 560-11-11-.03 QFLP Qualifications

- (1) The Local Board of Tax Assessors shall be responsible for approving all Applications. Applications made by applicants that do not constitute Qualified Owners will be denied.
- (2) Real property for which QFLP designation is sought shall meet all requirements as set forth in O.C.G.A. § [48-5-7.7](#) and:
 - (a) At least one-half of area of the applicant's tract of real property for which QFLP designation is sought must be used for a Qualifying Purpose as set forth in O.C.G.A. § [48-5-7.7](#), and Department regulations;
 - (b) The portion of the tract not being used for a Qualifying Purpose must not be used for any other type of business other than as set forth in O.C.G.A. § [48-5-7.7](#); and
 - (c) Uses of any portion of the tract not being used for a Qualifying Purpose may be deemed acceptable uses by the Local Board of Tax Assessors, and therefore not in breach of the QFLP Covenant, provided that:
 1. The Local Board of Tax Assessors determines that such portion is:
 - (i) Minimally managed so that it does not contribute significantly to erosion or other environmental or conservation problems; or
 - (ii) Being used for any Secondary Uses.
- (3) Tracts that include cellular phone tower pad areas may qualify, subject to the limitation set forth at the end of this Section (3). Specifically, the area around cellular phone tower pads used or maintained as part of the pad, shall not constitute a breach of the QFLP Covenant if:
 - (a) The tract is less than 2,000 acres, the total area of the pads does not exceed six (6) acres, or
 - (b) For tracts larger than 2,000 acres, the total area of cellular phone tower pads does not exceed six (6) acres for every 2,000 acres.

- (c) Any roadway to the cellular phone tower pads shall not be included in the determination of the six (6) acre maximum.

Any portion of each six (6) acre area described in Sections 3(a) - 3(c) above shall cease to be subject to the covenant as of the date of the execution of the applicable lease and shall be split into a separate parcel. The newly created parcel shall be subject to ad valorem taxation at fair market value.

- (4) To obtain QFLP designation for a Contiguous tract of real property located in multiple counties, the applicant must enter into a single QFLP Covenant for the entire Contiguous tract. This QFLP Covenant must be approved and recorded in each county where the Contiguous tracts are located.

- (a) If one or more counties deny an Application, any portions of the Contiguous tract which are approved may still be eligible for QFLP designation provided that

1. Any remaining tract or tracts meets the minimum qualifications as set forth in O.C.G.A. § [48-5-7.7](#), and Department regulations;
2. The QFLP Covenant is signed by all owners and the appropriate Local Board(s) of Tax Assessors; and
3. All pages are recorded in the appropriate county's real property index.

- (5) The QFLP Covenant shall be effective upon the county signing and recording the QFLP Covenant in the real property index.

- (a) Any appeals to the denial of QFLP designation or failure by the Local Board of Tax Assessors to sign the Covenant, shall be made in the manner provided for in O.C.G.A. § [48-5-311](#).

1. If an appeal is not resolved until the subsequent year after the filing of the Application and the applicant receives a favorable decision on the appeal, then the applicant shall be entitled to the benefits derived from the QFLP Covenant beginning in the year for which the Application was filed.

- (6) Property that otherwise qualifies for a QFLP Covenant shall exclude the entire value of any residence and its Underlying Property. This provision for excluding the Underlying Property of a residence from eligibility in the conservation use covenant shall only apply to property that is first made subject to a covenant or is subject to the renewal of a previous covenant. Additionally, in conjunction with the Application, the taxpayer shall provide any one of the following types of property boundary descriptions regarding such Underlying Property:

- (a) A Plat of the Underlying Property prepared by a licensed land surveyor, showing the location and measured area of the Underlying Property in question;
- (b) A written legal description of the Underlying Property delineating the legal metes and bounds and measured area of the Underlying Property in question; or

- (1) The Commissioner hereby adopts the form in Regulation [560-11-11-.11](#) Exhibit (A), as the form to be used by all counties as the QFLP Application.
- (2) All applicants for QFLP designation shall include with their Application:
 - (a) A Plat of the tract for which QFLP designation is sought; or
 - (b) A written legal description of the tract.
- (3) If a legal description or Plat is contested by the county, then the county shall have the burden to prove its assertion that the Plat or legal description as provided by the applicant is deficient.

- (3) The Local Board of Tax Assessors shall have fifteen (15) days from the date of the physical inspection or the end of the inspection period, whichever is later, to send a written notice to the owner(s) of record of the tract, and any counties that encompass the tract subject to the breached QFLP Covenant, to inform the owner(s) whether the tract of real property is in compliance with the QFLP Covenant.
 - (a) Failure to inspect the tract of real property shall be deemed a determination that the tract is in compliance with the QFLP Covenant.
- (4) If a QFLP Covenant covers multiple counties then the Local Board of Tax Assessors in the county where the breach has occurred shall send the same written notifications to the Local Board of Tax Assessors in all affected counties where the QFLP Covenant is in force and effect.
 - (a) Such written notifications shall be sent within the same time period, and in the same manner, as the written notification sent to the owner(s) of record notifying them of the breach and the determination of whether or not the tract is in compliance with the QFLP Covenant.

Re: 2025 Social Security Maximum for Homestead Exemptions

As a courtesy to the local tax officials, we annually provide the maximum amount of benefits authorized to be paid to an individual and spouse under the federal Social Security Act.

As you know, the exemptions provided for in O.C.G.A. §48-5-47 and 48-5-52 for age 62 and age 65 taxpayers are based on the net income of applicant and spouse not to exceed \$10,000 for the immediately preceding year. Under these laws, net income does not include income received as retirement, survivor or disability benefits under the federal Social Security Act or under any other public or private retirement, disability or pension system, except such income which is in excess of the maximum amount authorized by to be paid to an individual and his spouse under the federal Social Security Act. Income from such sources in excess of the maximum amount of social security is to be included as net income for the purposes of determining eligibility.

The social security maximum amount for tax year 2025 is **\$96,432** which amount may be used when determining eligibility of an applicant and spouse seeking the elderly homestead exemptions for tax year 2025.

Re: 2025 Homestead Exemption pursuant to O.C.G.A. §§48-5-48(b) and 48-5-52(a)

The purpose of this announcement is to provide the amount of homestead exemption authorized to be claimed by the following applicants:

- Disabled veterans, surviving spouse, and minor children pursuant to O.C.G.A. §48-5-48
- Surviving spouse of servicemember killed in action pursuant to O.C.G.A. §48-5-52.1

The above referenced qualified homestead applicants are permitted to exempt from ad valorem taxes on their homestead between the greater of \$32,500 or the maximum amount allowable under Section 2102 of Title 38 of the United States Code, as amended.

Such amount under federal law is adjusted annually by the United States Secretary of Veterans Affairs for the rate of inflation regarding the average cost of real property construction.

The resulting amount as of the date of this announcement is **\$121,812** and such amount may be claimed for tax year 2025 by qualified disabled veterans or their unremarried surviving spouse or minor child pursuant to O.C.G.A. §48-5-48 or by qualified surviving spouses of service members killed in action pursuant to O.C.G.A. §48-5-52.1
