Hello,

My name is Christopher Blinn and I just wanted to reach out and let you know how incredibly helpful and kind Rusty was in helping me with my tax assessment as well as my homestead exemption. He went out of his way to not only help with me with my issues, but also took a great amount of time to make sure I completely understood the tax process and how to better submit my documents in the future. It was also extremely appreciated that you and your team were able to work together with the folks from the homestead exemption office to make an exception that helped me file and submit my homestead exemption past the original dateline, while also granting me a 3 year exemption waiver, lowering the taxable value of my house to the purchase price. As first time Homeowners me and my wife have never done anything like this before which was evident by how we submitted our homestead exemption. Rusty went above and beyond in making sure our issues were resolved and he made sure we felt comfortable with the process. He also assured us he we could call him at any time in the future with any additional help we may need. I wish more places, (especially government office), had people as friendly and patient as Rusty and I appreciate everything that you guys have done to go above and beyond. I'm not sure if there's any kind of award or incentive you could give him, or at the very least hopefully he gets a shout out in the office, because the work that he did certainly did not go unnoticed or unappreciated.

Thank you all for everything you do,

Christopher & Gabrielle Blinn
